Collection Status and Next Actions Required

Total Exposure: $75,295.50 with customer on credit hold and approaching external collections deadline.

Issues Identified:

1. **Late Delivery Dispute:** Invoice SHT-2025-4401 ($34,820) disputed due to confirmed 4-day delivery delay. Customer claims $12,000 in downstream losses.
2. **Payment Withholding:** Customer refusing all payments pending resolution of oldest invoice dispute.
3. **SLA Contract Review:** Late delivery penalty clause requires legal interpretation — may apply to either party depending on contract terms.
4. **Meeting Request:** Customer requesting immediate in-person meeting to establish resolution path.

Recommended Actions:

1. Schedule immediate dispute resolution meeting with David Garza regarding invoice SHT-2025-4401
2. Pull GPS/delivery logs to verify exact delivery date and delay duration
3. Legal review of SLA contract Section 4.2 (delivery penalty clause)

4. If partial credit approved — issue credit memo and reissue aging statement
5. Escalate to Collections Manager if no resolution by March 10, 2026
